Dukes Hotel

Once a fantastically stuffy establishment, Dukes Hotel has made an effort to add some modern touches over the years. Where once it had the air of a men's club, with all the rooms named after dukes, now the Duchess rooms cater specifically to the female business traveler, with a makeup mirror, smaller slippers and a female staff attendant. Gentlemen are still encouraged to gather in the cigar and cognac

Best Western Shaftesbury

The Best Western Shaftesbury is a modern [boutique hotel](#) located in Piccadilly Circus. The public areas feature furniture by famed French New Design star Philippe Starck, who also created the mood lighting in the guest rooms. Truly in the heart of Piccadilly but not hideously expensive, the Shaftesbury has a few notable touches: Fresh flowers in every room, bathroom televisions, spotlights for nighttime reading, and heated mirrors.
