4.0 Technology Has Arrived. Are You Ready?

Step into the future at **ADM Expo** and learn from industry experts about trending, game-changing 4.0 automation technologies in advanced manufacturing that can put you light years ahead of your competitors!

Recent developments in **smart manufacturing**, **3D printing**, and other advanced 4.0 technologies are rapidly changing the design and manufacturing industry, and **ADM Expo** presents the suppliers, educational content, and contacts to help you prepare for this tectonic shift. As you learn more about 4.0 technologies, you will find new strategies that can improve product quality, increase manufacturing output, and save money!

Build your schedule now with **My Show Planner**, and search keywords to successfully navigate the Expo Floor to meet specific exhibitors who offer precisely what you need to move your projects forward. Pick from **250+ expert suppliers** to get up to speed on the latest tech innovations in 4.0 technology, including smart manufacturing, 3D printing, additive manufacturing, prototyping, and CAD/CAM software:

- **Altair Engineering**
- **Cimatrix**
- **Creaform**
- **INTRICUT**
- **Proto3000**
- **Stratasys Direct Manufacturing**
- **ABB Canada**
- **FANUC Canada**
- **Festo**
- **SEW-Eurodrive**
- **Siemens Canada**
- **Universal Robots**

Book your hotel now and plan your itinerary to fully immerse yourself in 4.0 technology, and find the people, products, and processes that can put your design projects at the forefront of the industry.

Free Education on One Expo Floor

Dive deep into all aspects of 4.0 technology at one of our many educational sessions focusing on the latest developments in smart technology, 3D printing, robotics, artificial intelligence, automation, and more!

- **Panel: The Impact of 3D Printing in Manufacturing**
- **Panel: Collaborative Robots in the Age of Smart Manufacturing**
- **Cognitive Manufacturing: Real Artificial Intelligence Applications**
- **Panel: Factory of the Future**
- **Panel: Automation Trends of Today and Tomorrow**
