A Symphony of Voices

Celebration of Women in Philanthropy

One Hundred Years Ago, Women Got a Voice.

Today, Because of You, it's A Symphony of Voices.

Join us for a special celebration – *A Symphony of Voices* – as we honor several of South Palm Beach County's most influential women in philanthropy – women who embody the same spirit as the suffragettes who fought for the vote 100 years ago, seeking to empower the powerless and give a voice to the voiceless.

Celebrating the centennial of the 19th Amendment during its 2019-2020 season, The Symphonia has put women – conductors, soloists and composers – at the center of each performance of our *Connoisseur Concert Series*. Included among these talented women was Ellen Taaffe Zwilich, the first woman to be awarded the Pulitzer Prize for music. This celebration of exceptional women is the culmination of our season.

Join The Symphonia as We Honor Several of Our Local Leaders in Philanthropy:

- KATHY ADKINS President, Impact 100, Palm Beach County
- SALLY BERENZWEIG Chief Development Officer & Co-Founder, KidSafe Foundation
- NICOLETTE GOLDFARB Board Member, Boys and Girls Club of Palm Beach County
- LISA MCDULIN Director of Advancement, Place of Hope
- JUDI SCHUMAN Fundraising Chair, Jewish Federation of South Palm Beach County
- STEPHANIE TUNIS Public Affairs Chair, Junior League of Boca Raton

The evening will feature a special performance by world-renowned pianist [Marika Bournaki](#).

[Laura Jackson](#), guest conductor of The Symphonia's Sunday concert, who serves as Music Director of the Reno Philharmonic, will also be attending.
