YOUR TOUR ENDS HERE
Unfortunately, without proper knowledge of Jurassic World, we can't risk you wandering around confusing omnivores and herbivores.

YOU'D BE A TERRIFIC TOUR GUIDE!
With your knowledge, Jurassic World would be lucky to have you showing guests around.

YOU'RE A CLASSIC JURASSIC FAN!
Put on your hard hat and hop in your Jeep, looks like you're fit to work up close with these big animals.

YOU'D MAKE A GREAT GENETICIST!
You really know your stuff. We could use your skills in the lab, working with Jurassic World Geneticist

WE'RE LOOKING AT THE NEXT PROPRIETOR OF JURASSIC WORLD!
We could be looking at Jurassic World's next proprietor. You'd make John Hammond proud!
