Varathane

SINCE 1958

Keep your wooden patio furniture, fences, trim and more looking and performing their best with Varathane® Spar Urethane. Created to provide the ultimate durability to exterior wood surfaces, it ensures that items can withstand daily exposure to sun or rain without the worry of fading or graying. Specialized formula was designed to expand and contract with seasonal changes to preserve coating.

Available in:

- Oil or Water Bases
- Brush On or Aerosol Applications

Varathane

SINCE 1958

Keeping interior wood looking its best with Varathane® Brush On and Aerosolized Polyurethanes. The perfect complement to rich Varathane® Wood Stains, the diverse line of protective coatings allow you to pick the right product for every project. Each provides the maximum scratch and stain resistance for enduring beauty and performance. Perfect for both professionals and DIYers alike when treating doors, cabinets, furniture, trim and more!
