

Adrian Boone Sr.

 # 551772

In a competitive real estate market like Oakland, you need an experienced real estate professional to help you navigate mercurial market trends. With over 22 years in the field and over \$50 million in real estate transactions under his belt, Adrian Boone Sr. is up to the task.

Still, for Adrian, it's never been about the numbers. A lifetime resident of the San Francisco Bay region, Adrian loves using his intimate knowledge of the area to help his clients tick as many boxes on their wish lists as possible, whether they're first-timers or it's far from their first rodeo.

"The process of buying or selling a home can be a daunting one, and I take every transaction seriously," he says. "I will be attentive and responsive to your needs, always putting your best interests first."

Adrian is certified under Better Real Estate's Cash Offer Training Program. If you have the opportunity to work with him, he's also good for plenty of local recommendations, from food and music to the outdoors. Ask him!
