## Marketing Copy:

The artist inside deserves a place to express themselves every day. So a portable canvas is an answer! Each part of this canvas is adjustable for absolute convenience. Each leg can adjust to suit your height while the easel holder can support canvases large and small(Fully Adjustable: 15"-64" Canvas) The French box easel, an iconic design combined with a solid construction can function while standing or on the tabletop. An artist on the go? Fold down and carry your easel when you want to paint in the great outdoors or transport your supplies with either the handle or the strap. Lastly, this easel is built to last! The frame is built with a durable pine wood body for reliable support, complemented by metal hardware and adjustable legs.

## Full Description:

**Beginners kit:** the aspiring artist can get started right away with 6 brushes, 3 canvas panels, 12 acrylic paints, 2 palettes (1 wood, 1 plastic), and 8 canvas panel wedges to stretch the canvas as it slackens over time.

**Fully adjustable:** use as a tripod stand, or fold the legs to set it on a tabletop and prepare your masterpieces. Each leg easily adjusts to standing at heights from 48 to 69 inches tall.

**Portable design:** this easel folds down into a compact, easy-to-carry package with internal storage for supplies and a shoulder strap to lighten the load

**Natural materials:** a durable, all-pine wood construction combined with strong metal fittings make this easel an able companion for a traveling..artist or an at-home Picasso.

**Marketing Copy:**

Someone's in the kitchen with quality cookware! This Dutch oven's ultra-tough cast iron construction allows for superior heat distribution/retention and long-lasting performance. The high durability is matched by versatility. This pot is oven-safe up to 480 degrees Fahrenheit for slow cooking and roasting, and great for casseroles, soups, sauces, stews, & more! All of these delicious dishes are complemented by a stainless steel knob, lid bumps to lock in moisture, and large loop side handles. The high-gloss enamel surface guarantees you'll be cooking in style for many meals.

**Full Description:**

**Large Capacity:** Feed large groups at weddings, family gatherings, and more, as this family-sized Dutch oven makes up to 6 quarts of casserole, soup, stew, roasts, and endless other options!

**Versatile Usage:** Usable on gas, electric, ceramic, and induction stovetops, in an oven, or even on a grill, it's perfect for cooking, roasting, frying, or baking your favorite dishes

**High-temperature Resistance:** Safe to heat up to 480 degrees Fahrenheit, with evenly distributed condensation bumps on the lid's interior and a tight seal to keep moisture, heat, and flavor inside the pot

**High-quality Design:** Made of thick, heavy-duty cast iron with a glossy enamel finish and white, non-stick enamel interior, it has exceptional heat conduction, retention, and distribution for reliable cooking

**Easy To Use And Clean:** Two side handles allow for easy handling, and the non-stick finish means you can hand wash it without the rough scrubbing

### Marketing Copy:

It's simple math: 1 Button + 1 person + 1 minute = one person, 60-second setup! Set up your canopy with the push of a button and enjoy the comfort of UV-resistant fabric that keeps you cool and safe. A huge, 9ft (108in) tall canopy with a 9.8ft(118in) x 9.8ft(118in) footprint keeps you covered for all occasions. Easily transport your tent to any event you need; this canopy comes with a carrying case that breaks your shade down into a 48.5 x 8in x 8in package! This setup could not be simpler: Step 1, open the canopy, Step 2, push the central button, and Step 3, adjust the height! Bring it anywhere and enjoy a private shaded space, with all the ground hooks, rope, frame, case, and cover included!

### Full Description:

**One-person setup:** Designed with one central button and no-pinch height adjusters to allow easy, one-person setup and breakdown; just open the canopy, push the button, and adjust the height for instant shade in only a minute!

**Premium shade:** Straight leg design provides 100 square feet of shade while easy-adjusting sliders let you take advantage of four preset heights

**Wind Rating:** 2-12 mph
